2

# My Family

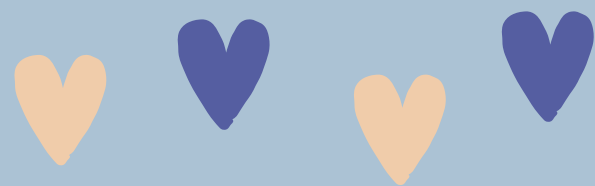

Let's learn about the people in our family!

# What is a Family?

- A family is a group of people who love and take care of each other.
- Families can be big or small.

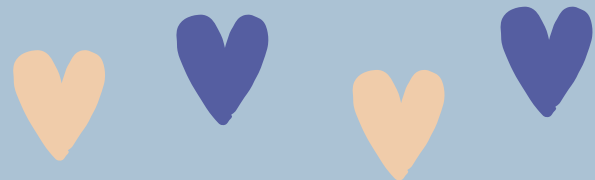

## father (Dad)

The father is a male parent in the family. He helps take care of the children and supports the family.

# mother (Mom)

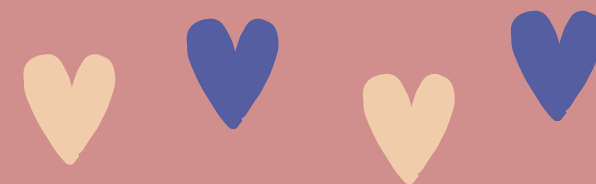

The mother is a female parent in the family. She loves and cares for the children and helps with many things in the family.

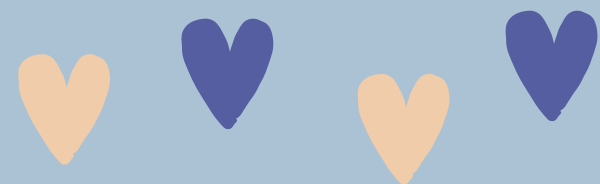

# brother

A brother is a boy or man who shares the same parents as you. He can be younger or older than you.

# sister

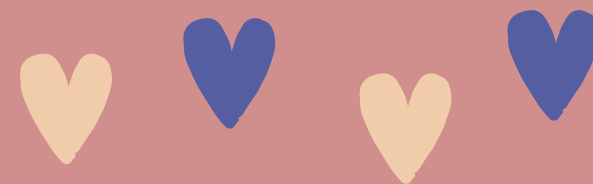

A sister is a girl or woman who shares the same parents as you. She can be younger or older than you.

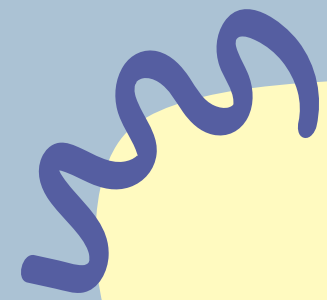

# grandfather

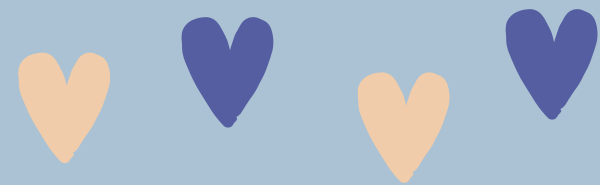

Grandpa is a short word for grandfather, who is the father of your mom or dad. He is usually older and enjoys sharing stories or wisdom.

# grandmother

Grandma is a short word for grandmother, who is the mother of your mom or dad. She is usually older and loves to spend time with her grandchildren.

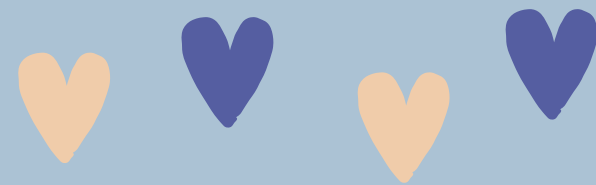

# great-grandfather

great-grandfather is the father of your grandfather or grandmother. So, he is older than your grandpa

# great-grandmother

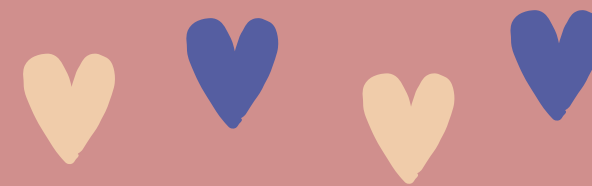

great-grandmother is the mother of your grandfather or grandmother. So, she is older than your grandma

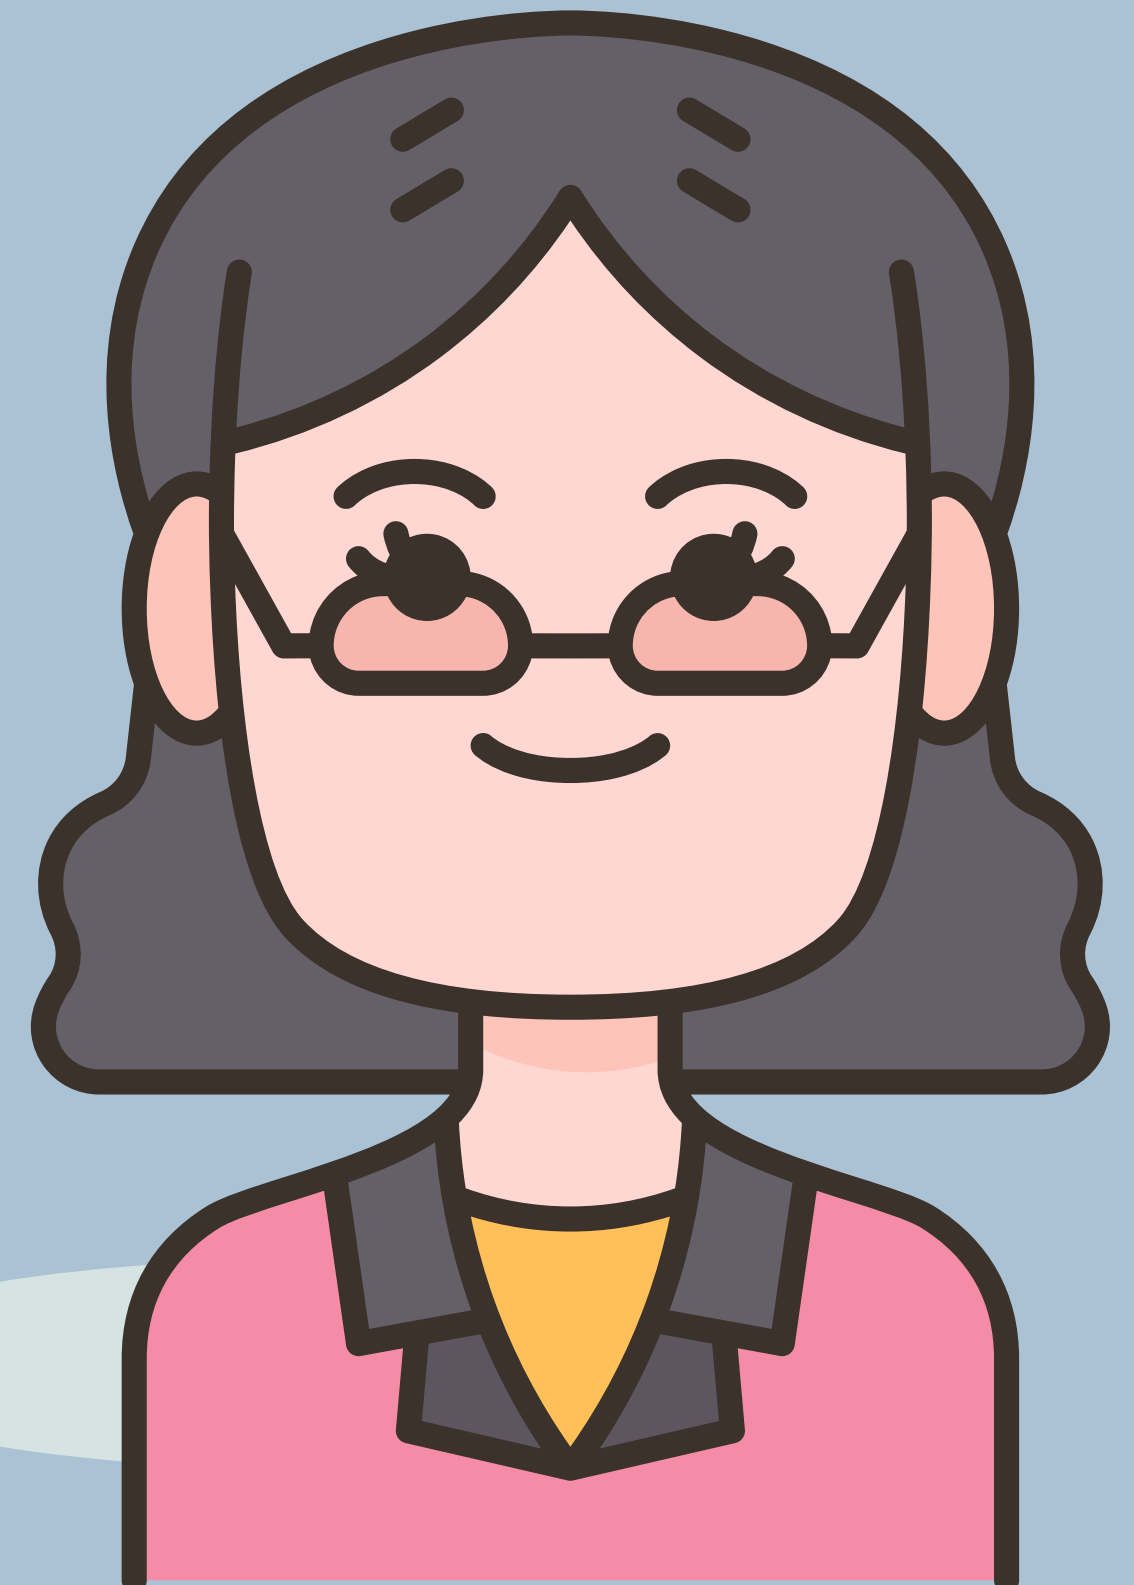

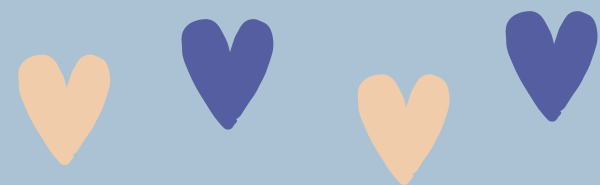

## uncle

Uncle is your dad's brother or mom's brother. He can also be your aunt's husband. So, your uncle is someone in your family who is a man and older than you.

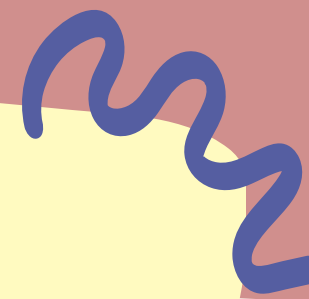

# aunt

Aunt is your dad's sister or mom's sister. She can also be your uncle's wife. So, your aunt is a woman in your family who is older than you.

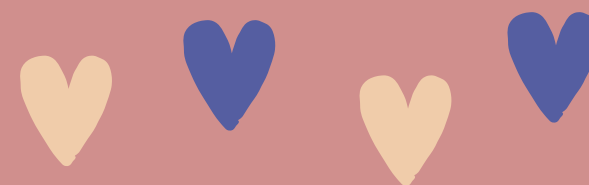

## cousin

Cousin is the child of your aunt or uncle. That means your cousin is not your brother or sister, but still part of your family.

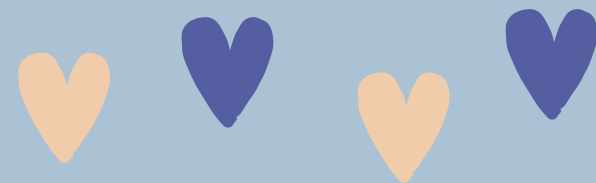

# niece

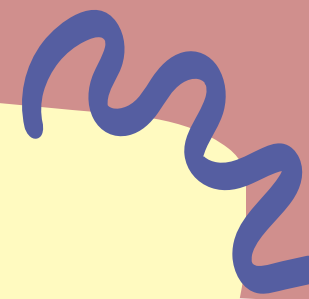

Niece is your brother's daughter or  
your sister's daughter.  
If your brother or sister has a baby  
girl, that girl is your niece.

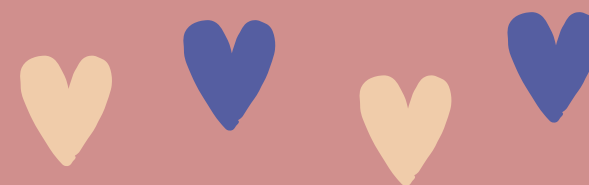

# nephew

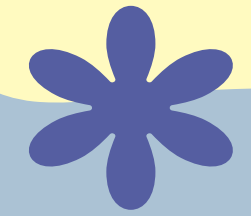

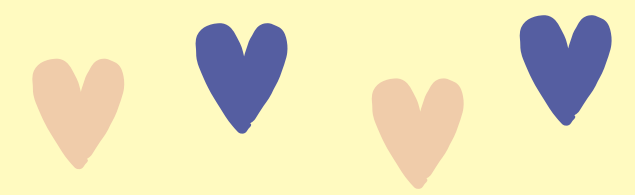

Nephew is your brother's son or your sister's son.

If your brother or sister has a baby boy, that boy is your nephew.

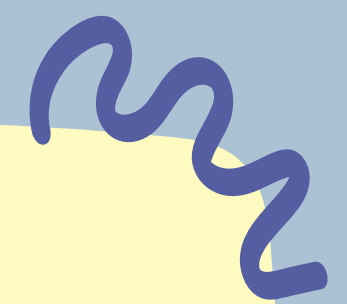

# Quiz

See You

Thank You
